DEPARTMENT OF PUBLIC INSTRUCTION

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

ADMISSION TO THE SCHOOL OF ENGINEERING, FORT, BANGALORE CITY.

Notification dated 8th April 1936.

The School of Engineering, Fort, Bangalore City, gives instruction in Mechanical, Electrical and Civil Engineering. The instruction in Mechanical and Electrical Engineering is divided into two grades—Higher and Lower.

2. The complete course for the Civil Engineering students covers a period of three years, of which the first two years, will be spent in the school and the third year on work in any of the Executive Divisions of the Public Works Department. The complete course for the Mechanical and Electrical Engineering students extends over a period of four years, of which the first three years will be spent in the school and the last year in any of the recognised works.

3. Students who pass the Higher Grade Mechanical and Electrical Engineering Examinations will be awarded L. M. E. and L. E. E. Diplomas respectively.

4. The session commences from 1st July and consists of two terms, the first ending with Christmas and the second with the close of the following April. The hours of attendance are from 10-30 A.M. to 1-30 P.M. and 2-30 P.M. to 4-30 P.M.

5. The number of students admitted to the School is limitted to 30 for the Civil Engineering Class and 75 for the Mechanical and Electrical Engineering Higher and Lower Grade classes.

6. Seventy-five per cent of the seats will be reserved in each section for candidates of backward communities with the minimum qualifications. The remaining twenty-five per cent will be open to all communities strictly on a merit basis subject to the minimum qualifications referred to below. In the event of sufficient number of candidates belonging to backward communities possessing the required qualifications not forthcoming, the vacancies will be filled up by the admission of qualified Brahmin candidates.

7 Admission will generally be restricted to Mysoreans but if there are any vacancies and suitable local candidates are not forthcoming, the limited number of non-Mysoreans who are otherwise qualified may be admitted. Not more than five seats per annum may be reserved out of the present strength for candidates from outside if the respective Governments consent for reservation of seats on payment of Rs. 500 per annum per student for three years in addition to the payment of their School Fees.

8. There will be no reservation of seats for Malnad Students, but Malnad Students with the same qualifications will be preferred to Maidan Students, provided they have read in Malnad High School and belong to Malnad Districts.

9. The age of candidates for admission to the School should be between 16 and 20 years. The qualifications for admission to the Civil Engineering Section and to the Higher grades of the Mechanical and Electrical Engineering sections should be S. S. L. C. (E. C. P. S. or E. P. S.) or an equivalent examination with Physics or Mathematics as optionals, and for Mechanical and Electrical Engineering Lower Grades, a certificate of having completed the Fifth Form course. No preference will be shown to candidates who have passed the Intermediate Examination or have undergone the Intermediate Course over those who have passed the S. S. L. C. Examination (E. C. P. S. or E. P. S.)

10. No student will be admitted to the school unless he gives an undertaking in writing that he will not leave the school in the middle of the course, except for valid reasons
